SUBJECT: Acquisition of Short-Term Conference Space

The General Services Administration (GSA) has delegated to Washington Headquarters Services (WHS) the authority to approve the acquisition of short-term conference space for the Department of Defense (DoD) in the National Capital Region (NCR) for the period of November 16, 2014, through November 15, 2015.

Accordingly, in lieu of contacting GSA for these support space requirements, the NCR Space Managers of the Components and DoD Military Departments are hereby directed to seek approval of all requests for short-term conference space and/or seminars from WHS. These requests should include the title of the event, date(s), and location of the conference, total estimated cost, number of attendees, and a three marketable bid comparison.

The WHS point of contact for this matter is Mr. David T. Mayberry, Director, Space Portfolio Management Division. He can be reached at telephone number (703) 614-6399.
