Public Comment Review

- No public comments received
 - No statements were received by email or phone by the submission deadline specified in the Public Register Notice

Service Training Discussions

- DAC-PSM was directed to analyze DoD sexual assault and sexual harassment training in support of a FY22 NDAA FY22 study requirement
- The study called for analysis on 5 specific topics:
 - Approach to behavior change and method of delivery
 - Metrics of performance, effectiveness, and data collection
 - Communication with non-Departmental entities in training development
 - Incentives used to ensure training participation, engagement, and/or effectiveness
 - Cost estimates
- Today's meeting is opportunity for...
 - DAC-PSM to ask follow-up questions based on the Service inputs
 - The Services to provide more depth and context for inputs

Panel Discussions

- Format: Each Service panel will last approx. 30 minutes for facilitated discussion and Member questioning
- Sequence: The Services will present in the following order:
 - Air Force
 - Army
 - (Break)
 - Navy
 - Marine Corps
