## PRIVACY IMPACT ASSESSMENT (PIA)

PRESCRIBING AUTHORITY: DoD Instruction 5400.16, "DoD Privacy Impact Assessment (PIA) Guidance". Complete this form for Department of Defense (DoD) information systems or electronic collections of information (referred to as an "electronic collection" for the purpose of this form) that collect, maintain, use, and/or disseminate personally identifiable information (PII) about members of the public, Federal employees, contractors, or foreign nationals employed at U.S. military facilities internationally. In the case where no PII is collected, the PIA will serve as a conclusive determination that privacy requirements do not apply to system.

The categories of records include: full name, home/cell phone, mailing/home address, work e-mail address, race/ethnicity, sex, birth date, citizenship, education information, military records, employment information, security information, position/title, rank/grade, security information, marital status, dependent data, DoD ID number, other ID number (Survey ID), and SSN.		
d. Why is the PII collected and/or what is the intended use of the PII? (e.g., verification, identification, authentication, data matching, mission-related use, administrative use)		
PII information is collected in SAP for the purpose of conducting matching between data sets prior to de-identification and release in the system for analysis purposes.		
e. Do individuals have the opportunity to object to the collection of their PII?		
(1) If "Yes," describe the method by which individuals can object to the collection of PII.		
(2) If "No," state the reason why individuals cannot object to the collection of PII.		
The individual does not have the ability to object to the collection of their data in SAP, since this system is not the initial point of collection.		

The individual would have to opt out at the source system for their PII data not to be collected by SAP.		
f. Do individuals have the opportunity to consent to the specific uses of their PII?		
(1) If "Yes," describe the method by which individuals can give or withhold their consent.		
(2) If "No," state the reason why individuals cannot give or withhold their consent.		
The individual does not control the specific use of the PII data once collected into the SAP. All data within SAP is initially captured in other systems of record.		
g. When an individual is asked to provide PII, a Privacy Act Statement (PAS) and/or a Privacy Advisory must be provided. (Check as appropriate and		
provide the actual wording.)	N. A. A. a. B. a. b. l.	
Privacy Act Statement Privacy Advisory  SAP does not directly collect PII from individual users.	Not Applicable	
SAF does not directly conect FII from individual users.		
h. With whom will the PII be shared through data/system exchange, both within your DoD Component and outside your Component? (Check all that apply)

k. Does this DoD Information system or electronic collection require a F		
A Privacy Act SORN is required if the information system or electronic collect is <u>retrieved</u> by name or other unique identifier. PIA and Privacy Act SORN in	tion contains information about U.S. citizens or lawful permanent U.S. residents the formation must be consistent.	

Yes No		
If "Yes," enter SORN System Identifier		
SORN Identifier, not the Federal Register (FR) Citation. Consult the DoD Component Privacy Office for additional information or http://dpcld.defense.gov/Privacy/SORNs/ or		
If a SORN has not yet been published in the Federal Register, enter date of submission for approval to Defense Privacy, Civil Liberties, and Transparency Division (DPCLTD). Consult the DoD Component Privacy Office for this date.		
If "No," explain why the SORN is not required in accordance with DoD Regulation 5400.11-R: Department of Defense Privacy Program.		
This not the initial point of collection. Data is covered under various existing SORNs (see sources)		
I. What is the National Archives and Records Administration (NARA) approved, pending or general records schedule (GRS) disposition authority for the system or for the records maintained in the system?		
(1) NARA Job Number or General Records Schedule Authority. OSD 1807-02		
(2) If pending, provide the date the SF-115 was submitted to NARA.		
(3) Retention Instructions.		
Temporary. Cutoff annually on completion of research project. Destroy 5 years after cutoff.		
m. What is the authority to collect information? A Federal law or Executive Order must authorize the collection and maintenance of a system of records. For PII not collected or maintained in a system of records, the collection or maintenance of the PII must be necessary to discharge the requirements of a statue or Executive Order.		
<ul><li>(1) If this system has a Privacy Act SORN, the authorities in this PIA and the existing Privacy Act SORN should be similar.</li><li>(2) If a SORN does not apply, cite the authority for this DoD information system or electronic collection to collect, use, maintain and/or disseminate PII. (If multiple authorities are cited, provide all that apply).</li></ul>		
(a) Cite the specific provisions of the statute and/or EO that authorizes the operation of the system and the collection of PII.		
(b) If direct statutory authority or an Executive Order does not exist, indirect statutory authority may be cited if the authority requires the operation or administration of a program, the execution of which will require the collection and maintenance of a system of records.		
(c) If direct or indirect authority does not exist, DoD Components can use their general statutory grants of authority ("internal housekeeping") as the primary authority. The requirement, directive, or instruction implementing the statute within the DoD Component must be identified.
